3 *********************** ************	utton, Assistant Secretary of
State for Congressional Relations, tele	haned to say that the Sensie
Foreign Relations Committee will probe	ably call Mr. McCone for a
briefing in executive session on the mus	lear test ban tresty on
16 August. A memo was forwarded to	leneral Carter regarding this
with a copy to Mr. Knoche.	
2. Ruse &	Slandford, House Armed Services
Committee staff, talenhaned to say Sub-	committee No. i will not take up
the Cla vettrement legislation bill next	week as had been anticipated and
the Subcommittee will be mable to do s	o wattl about the list of August.
3. Ewing	Hass, Administrative Assistant to
Country Thomas Suchol, called to say !	se had discussed with the Senator
the matter and the Senator	pro caked if I would price Mr. 11922
on this. I talked with Hass in consider:	able detail regarding including STAT
televination on his background, associa	tions and activities. I told him that
- a well known to us and had been	s sending as material stace as early
as 1950, and that while we consider him	a a fabricator of reports, his informa-
tion was reviewed by our people. I lad	icated that while he frequently has
same carrect information, his conclus	one and speculations were datally
avenues. As to the substance of the	article by George Toot. I indicated
that there was no question but that ther	e was a rift in Sino-Soviet relations.
adding that if this were a sham it carta	ialy was at a tremandous cost.
Hase said this would have been their fe	eling also. Mass thanked the lor
this information which he said he would	sage on to the senator. He goes
not enticipate that they will desire says	mag further or time.
4. Hando	arried to William Dardon, Senate
Armed Services Committee staff, Gene	eral Carter's letter to the Chairman
on the budget.	
5. George	ge Murphy, Joint Committee on Atomic
Energy staff, called and asked for a co	by of NIE 11.3-63. I told him I had
two others on my desk which I was sen	ding to him but I was not lamille.
ري المراجعة المراجعة والمراجعة المراجعة ا	
with il-3-63. I told him I would look if	ato it, however, and let him know.
